General Notes:

- Additional sampling sites include - sites in the same building or on the same property.
- If there are more than 5 additional sampling sites, customers will be charged hourly.
- This list does not include 2018 Pool/Hot Tub Pricing.
- This list does not include 2018 Pharmaceutical Test Pricing.
- This list does not include rush orders, short TAT, special requests, specific method requirements, etc.
- Abnormal logistics requests (distance, sampling requirements, etc.) will be priced using these as a baseline.
- For special projects, please contact the lab at (215) 355-3900
